

# BRANDON WALKER

speaker - motivator - entertainer - educator

**Road Well** is about being an asset to your company, not a liability. You may be the best salesman there is, but if you are constantly tired, sick, or unhealthy, you are not benefiting anyone. The program is concise, entertaining, highly-visual, and amazingly effective.

The one-hour **Road Well** seminar focuses on key areas such as:

- ✦ Healthy Travel Habits, Tips, and Tricks of the Road
- ✦ "Weightless" Hotel Room Exercise Routines
- ✦ Restaurant Nutrition (Even on a "Fast Food" Budget)
- ✦ Mental/Emotional Well-Being on the Road

“Brandon was the best speaker we have had yet.”

- L.B. Union College

“One of the best motivational speakers we have ever had on our campus.”

- D.P. McAllen Memorial HS

“We definitely plan to schedule this program again and again. I don't think anyone else could have done such a great presentation.”

- J. W. Brownwood HS
